RE: EYP Inc. DBA/Environmental Yellow Pages
Enviroyellowpages.com

TO WHOM IT MAY CONCERN:

I was contacted by Environmental Yellow Pages on Monday the 5th of August. The next day, Tuesday the 6th, I had a contract/invoice that was unbelievable, cost versus benefit.

I signed the contract and paid by a credit card on Wednesday August 7th.

OMG, by the end of the week, several of our key words were already on the first page of Google and some were even 1st or 2nd place.

In-addition, EYP had almost immediately put ERS in key positions throughout the EYP web-site, as promised.

The next week and still today, EYP is working to improve ERS's position on multiple Google and other browsers.

Once our banner and post cards are in play, watch out!

In a month, I will update this testimonial and I am confident you will be as impressed as I already am.

Do not hesitate to believe what EYP and Joe DeMartini say they can do!

Any questions, feel free to give me a call.

Sincerely,

Eric Kieselbach
