

**Harmony Environmental, Inc.**  
Working together in harmony.

July 10<sup>th</sup>, 2019

To whom it may concern:

Harmony Environmental, Inc., is pleased to recommend EYP., Environmental Yellow Pages as our advertising service provider. We first met Joe De Martini 20 years ago when our previous company started advertising with EYP. Today, we continue that relationship with full confidence through their continued concern and support of helping Harmony Environmental, Inc., rank in the top 10 of Google search results helping with our continued growth, through marketing.

Sincerely,

Ismael Jusino

President/Environmental Coordinator
