

worksmart, inc.

The Subsurface Imaging Company Since 1998

July 13, 2019

Concerning: Environmental Yellow Pages

Our Ground Penetrating Radar company has been advertising with Joe and the Environmental Yellow Pages for over seventeen years. His focus on our clients and professionalism has increased our business over our twenty one years. It has also kept us near the top in Google search results with his unique product.

We look forward to the next seventeen years together!

Sincerely,

Michael P McGarry
President
